ANGELS

With a little help from our Friends...we're gonna show you a good time.

Respectfully the original cover art copyright for the The Beatles album, Sgt. Pepper's Lonely Hearts Club Band, is believed to belong to the label, or the graphic artist, Robert Fraser/Jann Haworth/Michael Cooper.

Forgotten Angels' 10th Anniversary Celebration will place our sponsors and friends among the Stars in a parody of the Beatles' iconic Sgt. Peppers Lonely Hearts Club Band album cover. Sponsorship includes your photo among the famous or logo recognition, tickets to Stars at Night, recognition in promotional material and a special gift. To be included in the final version, your sponsorship must be in by April 6th.

Sgt. Pepper's Lonely Hearts Club Band was released in the summer of 1967. Sgt. Pepper frequently ranks at the top among the greatest albums of all time. The cover art, depicting the band posing in front of a collage of famous individuals, has been widely acclaimed and imitated.

OUR HISTORY

Forgotten Angels was founded in 2001 by Renee West McGuire after watching friends struggle to find quality care for their severely disabled children. Today, Forgotten Angels operates 15 group homes in the Pearland area and assists many more foster-care providers; serving over 100 developmentally challenged children and adults while providing support to their families and caregivers.
